

COFFEE TEC.

CAFE QUALITY, IN YOUR OFFICE

BTC 1800

OUTSTANDING QUALITY

The BTC 1800 is a fully automatic coffee machine for small offices. It takes into account the needs of today's busy office environment - it is a small, versatile machine that is extremely easy to use.

The simple operation and minimal cleaning requirements reduces your cleaning time and costs by up to 66%.

Following the standards set by the most renowned espresso connoisseurs, BTC 1800 can satisfy the tastes of the most demanding palates with outstanding consistency and quality. The BTC 1800 guarantees the correct temperature from the first serve until the last.

ENJOY THE AROMA OF AN ITALIAN STYLE COFFEE

With the BTC 1800 and Café de Fonte roasted coffee beans you will enjoy a perfect balance of body, crema, aroma and flavour every time.

The machine has up to 7 product selections; Espresso, Americano, Cappuccino, Latte, Mocha, Hot Chocolate and Hot Water.
